Debbie walks on stage and rocks the crowd for two hours without let-up ... performing some of the greatest songs ever written ... from T-Rex and Bowie to Sharon O'Neill and Dragon. Her greatest passion is Kiwi pop/rock ... 'sometimes the crowd is singing along so loudly I can't hear myself!' Debbie includes hits made famous by 'When the Cat's Away' ... Melting Pot, Asian Paradise and more from their great live albums.

Debbie Harwood & the Band of Gold is the perfect band for a great Kiwi event or party. Supported by some of the finest musicians in New Zealand and with three vocalists this band's energy is unrivalled. When they walk on stage you know it is 'party time'.

“Harwood's voice is an amazing mix of the old and the new with traces of Natalie Cole... and what an incredible artist she is”. NZ Musician
